SEASON PROOFED CUSHIONS

How do eden Cushions work?

Water repellent fabric covers with taped seams significantly reduces water penetration

Quick dry foam allows any water that gets inside to drain out quickly

Breathable Textaline backing allows air to escape when you sit down for increased comfort

OUTDOOR LIVING 2023 CONTENTS

A photograph of an outdoor dining set. A large grey patio umbrella is open over a round glass-topped table. The table is surrounded by six grey wicker chairs with metal legs. On the table, there is a white bowl of fruit, a glass of water, and two blue mugs. The background consists of a stone wall and a dense green hedge.

Item Code: MNO/SET15 Monza Lounge Set with Gas Firepit Table

Monza is sleek in design, has a contemporary look, plus it's maintenance-free. It has graphite grey aluminium frames with anthracite grey texteline seating and cushions. The Gas Firepit requires a 5kg patio gas bottle and a 27mm clip on regulator. Wood-effect aluminium tabletop is hand-brushed and slatted for a super-realistic effect; tabletops are inset into the aluminium frame for a seamless, stylish look; double powder coated aluminium frames means no rusting; weatherproof and comfortable texteline material used on chair seats and backs; stackable chairs for easy storage; wood-effect aluminium detail on chair arms.

Materials: Aluminium; Texteline; Spun Polyester; EcoCore Polyester Fibre.

Care Instructions: To clean, wash with Warm Soapy Water. • Double powder coated aluminium frames are anti-rust so can be left outdoors all year round

LG Outdoor Firepit cooking griddle works with LG Outdoor Firepits. This sits nicely over the fire pit to enable you to cook over the flame.

FURNITURE COVERS

Our durable furniture covers are designed to let your furniture breathe whilst at the same time protecting it from the elements. The fabric is water resistant and mesh panels let air circulate to prevent the mildew and cracking that condensation can cause. Made from 600 denier, PVC-free Polyester they're durable and won't deteriorate in UV light. Key Features: 600 Denier Polyester (PVC free), breathable mesh panel, buckles to keep your cover held in place, shock cords and eyelets keeps your cover looking tidy as these provide a tight fit.
