# Gazebos

Providing the perfect setting to relax with family and friends outdoors. Cleverly designed, these gazebos offer total flexibility with a choice of trellis and panels to suit individual needs

## The Tatton Gazebo

Product Code: 00629

Size: W x D x H  
2.64m x 2.64m x 2.49m

For locations where additional privacy or extra shelter is required, the Tatton fits the bill. Three solid tongue and groove panels provide a solid backdrop to the building and two balustraded sections are included for each side of the entrance. You can replace the balustrade sections at the front with any combinations of the other panels for an additional charge.

Gazebo bench is an optional extra

## The Clifton Gazebo

Product Code: 09650

Size: W x D x H  
2.64m x 2.64m x 2.49m

This beautifully designed gazebo has a solid tongue and groove panel at the back with diamond trellis either side and balustrade sections each side of the entrance. Add an additional trellis panel at the rear rather than the solid panel without cost to give 360 degree views from your gazebo.

Gazebo bench is an optional extra

## The Moreton Gazebo

Product Code: 00503

Size: W x D x H  
2.64m x 2.64m x 2.49m

The Moreton Gazebo with square trellis is a great feature for any garden with your favourite climbing plants entwined through the attractive pressure treated timberwork. Add an additional trellis panel at the rear rather than the solid panel without cost to give 360 degree views from your gazebo.

Gazebo bench is an optional extra

Also ideal as a Potting Table

## Alfresco living

Absolutely on trend for outdoor entertaining, the Terraza Outdoor Kitchen provides a sustainable route to alfresco cooking and one which will blend into the garden beautifully. Designed in the UK and made from PEFC sustainable slow grown soft wood from responsibly managed forests and with a 10 year guarantee against rot, all products in the Terraza Outdoor Kitchen range can be purchased individually or as a set comprising two double units and a display corner unit. There is also an optional side table to extend the serving space.

The double kitchen unit offers ample storage for tools and cooking equipment. The additional open sided top shelf is ideal for serving utensils. It comes with a stainless steel top which is perfect for food preparation. The corner unit provides masses of storage and is also perfect for setting up a pizza oven and is the standard working height you would find in an indoor kitchen. Delivered flat packed, the Terraza Outdoor Kitchen can be easily assembled on a firm solid ground to give years of outdoor enjoyment.

All items coordinate with existing Zest outdoor entertaining products including the Zest Garden Bar and Two Stool Set and the Zest Garden Pizza Oven Table to create the perfect natural outdoor kitchen and entertaining area.

# Terraza Outdoor Kitchen Set

*Side Table available as an optional extra*

# Freya Dining & Seating Range

The Freya range presents a new design aesthetic and incorporates alternate width wooden slats cleverly spaced to make a very comfortable ergonomic seating shape. The extended high back improves comfort and support but also gives a sense of drama and presence to the outdoor dining experience. The encompassing style and presence of the Freya Dining Set offers the customer value for money through good design and premium appearance.

All details of the product have been considered, particularly the width and length of the arm rests, which provide maximum arm support as well as allowing space to rest a glass with a modern and contemporary look.
